

Valley ROP *Fast Facts*

Mission Statement

The mission of the Valley Regional Occupational Program is to promote, support, and provide exemplary career technical education, career development, and workforce preparation that contribute to student academic and career success and to the economic development of California.

Who We Serve

Valley Regional Occupational Program serves six central valley high schools and offers a wide variety of courses. Kingsburg, Orange Cove, Parlier, Reedley, Sanger and Selma High Schools work together with Valley ROP to offer these opportunities to students.
