Agriculture and Natural Resources	CEV Multimedia: Embryo Transfer		Embryo Transfer	DVD	1	CEVD0222	AG - 1001
Agriculture and Natural Resources	CEV Multimedia: Excel Beef Plant Fabrication		Excel Beef Plant: Fabrication	DVD	1	CEVD0241	AG - 1002
Agriculture and Natural Resources	CEV Multimedia: Excel Beef Plant Slaughter		Excel Beef Plant: Slaughter	DVD	1	CEVD0240	AG - 1003
Agriculture and Natural Resources	CEV Multimedia: Basic Livestock Nutrition		Basic Livestock Nutrition	DVD	1	CEVD0468	AG - 1004
Agriculture and Natural Resources	CEV Multimedia: Beef Cattle Management Practices II		Beef Cattle Management Practices II	DVD	1	1595354352	AG - 1005
Agriculture and Natural Resources	CEV Multimedia: Careers Wildlife Management		Careers Wildlife Management	DVD	1	1595355782	AG - 1006
Agriculture and Natural Resources	CEV Multimedia: Diseases Mad Cow & Foot and Mouth		Diseases Mad Cow & Foot and Mouth	DVD	1	1595356606	AG - 1007
Agriculture and Natural Resources	CEV Multimedia: Embryo Transfer		Embryo Transfer	DVD	1	1595353658	AG - 1008
Agriculture and Natural Resources	CEV Multimedia: Equine Management Nutrition, Health & Exercise		Equine Management Nutrition, Health & Exercise	DVD	1	1595354239	AG - 1009
Agriculture and Natural Resources	CEV Multimedia: Ruminant Digestive Systems A Closer Look		Ruminant Digestive Systems: A Closer Look	DVD	2	CEVD0471	AG - 1010
Agriculture and Natural Resources	CEV Multimedia: Sheep Management Practices II		Sheep Management Practices II	DVD	1	1595354301	AG - 1011
Agriculture and Natural Resources	Eggs 101 A Video Project	2008	Produced by PBS 39	DVD	1		AG - 1012
Agriculture and Natural Resources	Wildland Fire		Wildland Fire	CD-ROM	1		AG - 1013
Agriculture and Natural Resources	Wildlife ID Techniques		Wildlife ID Techniques	DVD	1	1569189358	AG - 1014
Arts, Media, and Entertainment	Gardens of the Impressionists		Screen Saver	CD-ROM	1		ART - 2001
Arts, Media, and Entertainment	Lake Tahoe		Screen saver	CD	1	0-915687-13-5	ART - 2002
Arts, Media, and Entertainment	Student Television Network: Best Practices 2007-2008	2007	A variety of student-produced content from a variety of contest around the US.	DVD	1		ART - 2003
Building Trades and Construction	Building Trades II Plumbing: Rough-in & Final	2006	Details of water systems and drainage, waste, and venting.	DVD	1	36050-K	BTC - 3001
Building Trades and Construction	Building Trades II: Alternative Framing Techniques	2006	A comprehensive overview of the home construction process.	DVD	1	36043-K	BTC - 3002
Building Trades and Construction	Building Trades II: Floor & Wall Framing	2006	Instructs students on the how-to of floor and wall framing.	DVD	1	36040-K	BTC - 3003
Building Trades and Construction	Building Trades II: Interior Wall & Ceiling Finish	2006	Most popular walls and ceilings instructions from drywall materials to plaster and cement board.	DVD	1	36048-K	BTC - 3004
Building Trades and Construction	Building Trades II: Roofing, Siding & Finishing	2006	Finishing touches by roofing and siding the house also cabinetry, stairs, and exterior and interior painting.	DVD	1	36054-K	BTC - 3005
Building Trades and Construction	Carpenters	2006	Profiles 21 different construction trades, offering a quick, exciting overview of each job that will generate curiosity in young people.	DVD	1	32261	BTC - 3006
Building Trades and Construction	Carpentry & Building Construction	2004	Instructional plans in Microsoft Word, Power Point presentations and Exam View.	CD-ROM	1	0-07-825347-0	BTC - 3007

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Building Trades and Construction	Deconstruction: The Science Of Building A House Foundation To Roof	2004	Scientific aspects of concrete, steel, wood, and nails and the forces that impact them.	DVD	1	33765-K	BTC - 3008
Building Trades and Construction	Deconstruction: The Science Of Building A House Plumbing To Paint	2004	Explains how electrical, plumbing, and HVAC systems work.	DVD	1	33766-K	BTC - 3009
Building Trades and Construction	Residential Electrical Wiring	2006	Video covers wiring diagrams, breaker panels, circuit breakers, switches, and outlet wiring.	DVD	1	36061-K	BTC - 3010
Building Trades and Construction	Strengthening Academic and Career Skills: Building Trades and Construction	2005	Building Trades and Construction	CD-ROM	2		BTC - 3011
Building Trades and Construction	The Future Of Home Construction: New Techniques, New Technologies		New Techniques, New Technologies	DVD	1	30680	BTC - 3012
Education, Child Development, and Family Services	HM Classprep Instructor Resource		HM ClassPrep an instructional resources that you can use in electronic form. Provided in the file format and can be useful for Microsoft Word files and PowerPoint presentations.	CD-ROM	1	4953	ECF - 4001
Education, Child Development, and Family Services	You Can Teach	2004	Provides you with videos, images, and primary texts with reflection questions. Topics such as history in education, the digital divide, gender bias in the classroom and much more.	CD-ROM	1	0-618-38608-4	ECF - 4002
Energy and Utilities	Electricity A 3-D Animated Demonstration: Circuits	2008	This program presents both the theory of electric circuits and basic practical methods of managing circuits safely.	DVD	1	38709-K	EU - 5001
Energy and Utilities	Electricity A 3-D Animated Demonstration: Electric Current	2008	Exploring how electric energy became an essential tool with the advent of electricity storage, allowing the flow of current to do useful work.	DVD	1	38730-K	EU - 5002
Energy and Utilities	Electricity A 3-D Animated Demonstration: Electric Generators	2008	Looks at physics principles behind AC and DC generators. Relationship between a changing magnetic field and the induction of electric current is examined.	DVD	1	38730-K	EU - 5003
Energy and Utilities	Electricity A 3-D Animated Demonstration: Electric Motors	2008	This program looks at the basic principles behind the operation of AC and DC motors.	DVD	1	38729-K	EU - 5004
Energy and Utilities	Electricity A 3-D Animated Demonstration: Electricity and Magnetism	2008	This program traces the relationship between magnetism and electricity from the first accidental discovery of induced current.	DVD	1	38728-K	EU - 5005
Energy and Utilities	Electricity A 3-D Animated Demonstration: Electrostatics	2008	This program explores basic electricity as it was perceived by Benjamin Franklin and other early theorists, as well as the principles of positive and negative charge	DVD	1	37153-K	EU - 5006
Energy and Utilities	Electricity A 3-D Animated Demonstration: Ohm's Law	2008	This program investigates the application and limitations of Ohm's Law. Series circuits and parallel circuits are described.	DVD	1	38708-K	EU - 5007
Energy and Utilities	Electricity A 3-D Animated Demonstration: Power and Efficiency	2008	This program defines electric power and explores in general terms a variety of means by which it is produced, transmitted, and consumed.	DVD	1	38710-K	EU - 5008
Finance and Business	eBay: Managing Success	2005	Presents history of Internet phenom eBay; discusses the Web site's feedback system, its unprecedented success; and examines its affect.	DVD	1	34655-KS	FB - 6001

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Finance and Business	Taking Control Of Your Credit	2008	Educating young people about responsible use of credit and debt is the key to building a society that lives consumer debt-free.	DVD	1		FB - 6002
Finance and Business	Teenagers Preparing For The Real World		Focuses on the pursuit of dreams; communication skills; early career preparation; networking skills; integrity; and community service.	DVD	1	59622	FB - 6003
Health Science and Medical Technology	A Beautiful Mind	2006	A brilliant mathematician on the brink of international acclaim until he becomes entangled in a mysterious conspiracy.	DVD	1	25193-02652	HSM - 7001
Health Science and Medical Technology	A.D.A.M Essentials High School Suite	2009	Provides the ideal interactive anatomy and physiology software tools for human anatomy and AP biology courses.	CD-ROM	1	1-57245-132-7	HSM - 7002
Health Science and Medical Technology	Alzheimer's Disease Facing the Facts	2008	Alzheimer's disease is a progressive and ultimately fatal brain disorder that ravages a person's memory and identity, and can cripple the families left as caregivers.	DVD	1	83421-43199	HSM - 7003
Health Science and Medical Technology	Assisting with Special Dental Needs and Problems		Assisting with Special Dental Needs and Problems	VHS	1		HSM - 7004
Health Science and Medical Technology	Basic Clinical Skills: Admission and Discharge M9	1987	Preparing the patient's room before arrival; orienting the patient and family to the unit, the personnel and the room; completing the nursing history and assessment.	VHS	1	MO37	HSM - 7005
Health Science and Medical Technology	Basic Clinical Skills: Bed Bath M8		The techniques for performing a bed bath are detailed with emphasis on proper body mechanics throughout the procedure.	VHS	1	MO32	HSM - 7006
Health Science and Medical Technology	Basic Clinical Skills: Feeding the Patient M11		Preparing the patient for a meal, responsibilities when serving meal trays, checking the tray, and assisting the physically or visually impaired person are demonstrated. M11	VHS	1	MO38	HSM - 7007
Health Science and Medical Technology	Basic clinical Skills: Medical Asepsis M6 (#3)	1988	Additional methods to control the spread and growth of microorganisms are shown through patient hygiene measures, management of patient care equipment, and proper isolation procedures.	VHS	1	MO39	HSM - 7008
Health Science and Medical Technology	Basic Clinical Skills: Preoperative and Postoperative Care	1986	This program explains the nursing care plan for patient's having surgery and details goals and interventions for both the preoperative and postoperative phases.	VHS	1	MO43	HSM - 7009
Health Science and Medical Technology	Basic Clinical Skills: Closed Suction Wound Drainage, Wound Irrigation & Specimen Collection M9	1988	In this program, discussion of the different types of closed suction wound drainage systems is followed by a demonstration of skill needed to maintain effective operation of the system. M9	VHS	1	MO41	HSM - 7010
Health Science and Medical Technology	Basic Nursing Procedures for Long-Term Care: Infection Control and Universal Precautions	1992	Basic Nursing Procedures for Long-Term Care: Infection Control and Universal Precautions	VHS	1	0-8273-5367-7	HSM - 7011

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Health Science and Medical Technology	Body Atlas: Glands and Hormones & Muscle and Bone	1994	New techniques film the interior workings of the body in action. A computer-graphic "see-through" man and woman show the complex geography inside the human body.	VHS	1	39815-00170	HSM - 7012
Health Science and Medical Technology	Body Atlas: In the Womb & Breath of Life	1994	This series takes the viewer on the most amazing journey in the womb from the single fertilized cell to the breath of life that 13 million cubic feet of air passes through our lungs enough to fill a football stadium.	VHS	1	39815-00169	HSM - 7013
Health Science and Medical Technology	Body Atlas: Skin & Defend and Repair	1994	This series takes the viewer on the most amazing journey through the skin that actively helps to keep us alive. Also, defend and repair our bodies are constantly assaulted from all sides.	VHS	1	39815-00172	HSM - 7014
Health Science and Medical Technology	Body Atlas: The Brain & the Human Pump	1994	This series takes the viewer on the most amazing journey through the brain and the human pump (heart).	VHS	1	39815-00174	HSM - 7015
Health Science and Medical Technology	Body Atlas: Visual Reality & Now Hear This	1994	This series takes the viewer on the most amazing journey in visual reality our eyes the windows of the world. Also, the ears are masterpiece of miniature engineering, and our link with the world of sound.	VHS	1	39815-00173	HSM - 7016
Health Science and Medical Technology	Body Atlas: Taste and Smell & The Food Machine	1994	This series takes the viewer on the most amazing journey in the Universe-the journey through the human body. You will view the human body understanding smell and taste, sex, and the food machine.	VHS	1	39815-00171	HSM - 7017
Health Science and Medical Technology	Cancer Self-Defense	2002	This video considers a comprehensive screening and prevention program, with five case studies covering the breast, lung, prostate, colon, and skin.	DVD	1	33411-KS	HSM - 7018
Health Science and Medical Technology	Cervical Spine Injured Athlete Transfer Protocol	1993	Cervical Spine Injured Athlete Transfer Protocol	VHS	1	V4V	HSM - 7019
Health Science and Medical Technology	Concept Media: Overview and Disease Specific Isolation (Program 1)		Overview and Disease Specific Isolation (Program 1)	VHS	1		HSM - 7020
Health Science and Medical Technology	Concept Media: Precautionary Measures In Isolation (Program 2)		Precautionary Measures In Isolation (Program 2)	VHS	1		HSM - 7021
Health Science and Medical Technology	Concept Media: Urinary Catheter Procedures (Program 3)		Urinary Catheter Procedures (Program 5)	VHS	1		HSM - 7022
Health Science and Medical Technology	Confidentiality Of Patient Information		Confidentiality Of Patient Information	VHS	1	M2-4	HSM - 7023
Health Science and Medical Technology	Delmar: Diversified Health Occupations A Day in the Life of Health (Tape 2)	1998	Professional and Personal Standards for Health Care Careers	VHS	1	DP2	HSM - 7024
Health Science and Medical Technology	Delmar: Diversified Health Occupations Professional and Personal Standards (Tape 3)	1998	Professional and Personal Standards for Health Care Careers	VHS	1	DP3	HSM - 7025
Health Science and Medical Technology	Delmar: Diversified Health Occupations How to Succeed In Your Health Career (Tape 4)	1998	Professional and Personal Standards for Health Care Careers	VHS	1	DP4	HSM - 7026

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Health Science and Medical Technology	Developing Alternatives to Restraints M4	1991	The importance of developing alternatives to the use of restraints is illustrated through dramatic examples of cases where alternatives were found and the quality of care was improved.	VHS	1	M11	HSM - 7027
Health Science and Medical Technology	First Aid Responding to Emergencies	2005	This video provides segments on deciding to Act/Taking action, standard precautions to prevent disease transmission, rescue moves, body systems, checking and unconscious and conscious victims just a few segments touched.	DVD	1	1-58480-251-0	HSM - 7028
Health Science and Medical Technology	Functional Anatomy	2004	In this program, we examine four bodily systems-skeletal, muscular, respiratory, and circulatory-to demonstrate how our anatomy enables us to be physically active.	DVD	1	33453-KS	HSM - 7029
Health Science and Medical Technology	Health Related Occupations Volume 1	2009	Will help students explore the careers in Health Related Occupations. Nature of work, working conditions, employment, education, earnings, and job outlooks.	DVD	1	061-1	HSM - 7030
Health Science and Medical Technology	Health Related Occupations Volume 2	2009	Students will continue to learn about the nature of work, employment, education, earnings , and job outlook in health field.	DVD	1	061-2	HSM - 7031
Health Science and Medical Technology	Health Related Occupations Volume 3	2009	Students will continue to learn about the nature of work, employment, education, earnings , and job outlook. Students will hear a testimonial given by someone working in the health field.	DVD	1	061-3	HSM - 7032
Health Science and Medical Technology	Home Care: Cleansing and Dressing Wounds	1985	This program describes the process of normal healing and demonstrates procedures for changing surgical dressing, wound irrigation and packing are demonstrated, with emphasis on sterile technique.	VHS	1	362895414	HSM - 7033
Health Science and Medical Technology	In Search of Character: Caring (Program 5)		This video spotlights ten core virtues that help teens develop into caring, respectful, responsible people who make choices based on what's right, rather than what's easy.	VHS	1	CC05	HSM - 7034
Health Science and Medical Technology	In Search of Character: Citizenship (Program 6)		This video spotlights ten core virtues that help teens develop into caring, respectful, responsible people who make choices based on what's right, rather than what's easy.	VHS	1	CC06	HSM - 7035
Health Science and Medical Technology	In Search of Character: Fairness (Program 4)		This video spotlights ten core virtues that help teens develop into caring, respectful, responsible people who make choices based on what's right, rather than what's easy.	VHS	1	CC04	HSM - 7036
Health Science and Medical Technology	In Search of Character: Respect (Program 2)		This video spotlights ten core virtues that help teens develop into caring, respectful, responsible people who make choices based on what's right, rather than what's easy.	VHS	1	CC02	HSM - 7037
Health Science and Medical Technology	In Search of Character: Responsibility (Program 3)		This video spotlights ten core virtues that help teens develop into caring, respectful, responsible people who make choices based on what's right, rather than what's easy.	VHS	1	CC03	HSM - 7038

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Health Science and Medical Technology	In Search of Character: Trustworthiness (Program 1)		This video spotlights ten core virtues that help teens develop into caring, respectful, responsible people who make choices based on what's right, rather than what's easy.	VHS	1	CC01	HSM - 7039
Health Science and Medical Technology	In the Womb Volumes 1 & 2	2009	Featuring four critically-acclaimed In the Womb specials from National Geographic, the In the Womb collection opens a window into the hidden world of a fetus.	DVD	1	CS93078	HSM - 7040
Health Science and Medical Technology	Infection Control: A Training Program for Healthcare Professionals M6	1994	Using a combination of narration, "real life" vignettes, colorful graphics and detailed explanation, they are a practical guide to the accepted standards of infection control.	VHS	1	M147	HSM - 7041
Health Science and Medical Technology	Infection Control: Principles and Guidelines For Hospital Employees	1987	Topics covered in this program will include pre-employment health evaluation; personal hygiene habits; and hand washing. Cleaning, disinfection, and sterilization, as well as isolation and sterilization.	VHS	1	M101	HSM - 7042
Health Science and Medical Technology	Lorenzo's Oil	1992	For Augusto and Michaela Odone the news that their five-year old son, Lorenzo, has a rare terminal disease that there is no known cure for.	DVD	1	25192-19702	HSM - 7043
Health Science and Medical Technology	Medical Terminology Vol. 1 3rd edition		Chapters 1-7	CD-ROM	2		HSM - 7044
Health Science and Medical Technology	Medical Terminology Vol. 2 3rd edition		Chapters 8-14	CD-ROM	1		HSM - 7045
Health Science and Medical Technology	Medication Administration Guidelines	1993	The use of this video will review the principles of medication administration, examine nursing responsibilities during medication administration, review systematic application of the "five rights" and illustrate elements of medication preparation and administration.	VHS	1	SB27398	HSM - 7046
Health Science and Medical Technology	Nurse Ethics, and the Law: Legal Responsibilities (#1) M1	1984	The laws governing the practice of nursing are introduced. Location photography highlight the nurse's legal responsibilities, including licensure, and the nature of Nursing Practice Acts.	VHS	1	1073	HSM - 7047
Health Science and Medical Technology	Nurse, Ethics, and the Law: Negligence and Malpractice M1 (#3)	1984	The concept of liability, sole or joint, and the conditions under which charges of negligence or malpractice must be proved are introduced.	VHS	1	1074	HSM - 7048
Health Science and Medical Technology	Nurse, Ethics, and the Law: The Clients Chart M15	1984	Through specific examples, guidelines are provided for making entries about observations, performing procedures, and recording problems or unusual occurrences.	VHS	1	1075	HSM - 7049
Health Science and Medical Technology	Nursing Assistant Techniques: Cardiopulmonary Resuscitation CPR Part 1 & 2		This program explains in part 1: ABC's of CPR; One-Rescuer CPR; rescue breathing, two-person CPR. Part 2 talks about conscious and unconscious choking victims.	VHS	1	CNA217	HSM - 7050
Health Science and Medical Technology	Nursing Assistant Techniques: Elimination, Specimen Collection, Urinary Care M9		This program will show proper ways to administering rectal suppository, administering the cleansing enema, changing the ostomy bag and many more techniques.	VHS	1	CNA213	HSM - 7051

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Health Science and Medical Technology	Nursing Assistant Techniques: Measuring Temperature M10		Measuring temperature, reading a thermometer, measuring oral temperature are just a few of the techniques provided in this video.	VHS	1	CNA202	HSM - 7052
Health Science and Medical Technology	Nursing Assistant Techniques: Measuring Weight M7		This video will provide proper use of standing balance scale, chair scale, wheelchair scale, mechanical lift, and bed scale.	VHS	1	CNA206	HSM - 7053
Health Science and Medical Technology	Nursing Assistant Techniques: Techniques in Bathing M8 (#1)		This video will provide techniques in bathing giving a bed bath, perineal care, vaginal douche, tub bath, and assisting with a shower and shampoo.	VHS	1	CNA211	HSM - 7054
Health Science and Medical Technology	Nursing Assistant Techniques: Warm and Cold Techniques		This program will help explain applications in applying the soak and applying the Aquamatic K-Pad.	VHS	1	CNA215	HSM - 7055
Health Science and Medical Technology	O.R. Procedures: Positioning the Surgical Patient	1985	This program begins with a detailed description of the physiologic effects of anesthesia, and then describes the goals of properly implemented positioning.	VHS	1	MO55	HSM - 7056
Health Science and Medical Technology	O.R. Procedures: Preparing and Maintaining the Sterile Field	1988	This program explains and visually demonstrates the types of materials used to create the sterile field, techniques of surgical draping, and principles for maintaining the integrity of the sterile field during the operative procedure.	VHS	1	MO54	HSM - 7057
Health Science and Medical Technology	Osmosis Jones	2001	The infectiously funny live-action/animated caper kicks off in the real world as Frank ingests a villainous virus named Thrax. This video takes you on a journey of how Frank's white blood cells patrols this virus.	DVD	1	X00011E861	HSM - 7058
Health Science and Medical Technology	Portion Size Me Too! How to Make Healthy Fast-Food Choices	2006	"The fast-food industry is providing what people want," said James Painter, chair of Illinois University's School of Family and Consumer Sciences. James tries to prove that people's choices are making them fat.	DVD	1	1-57175-248-X	HSM - 7059
Health Science and Medical Technology	Portion Size Me: A Study of Healthy Fast-Food Choices	2006	Portion size is the key to the American obesity epidemic," said James Painter, chair of Eastern Illinois University's School of Family and Consumer Sciences. He believes healthy choices could be found in every fast-food restaurant.	DVD	1	1-57175-238-2	HSM - 7060
Health Science and Medical Technology	Protecting Patients from Medical Errors	2001	Approximately one million medical errors are made in hospitals every year, resulting in about 98,000 deaths annually. These errors are one of the nation's leading causes of death.	VHS	1	M206	HSM - 7061
Health Science and Medical Technology	Resident Rights: The Art of Caring M2	1990	Dramatic scenes illustrate the importance of protecting resident rights, including the right to information, self-determination, association and communication, freedom from abuse, quality care, and dignity.	VHS	1	M105	HSM - 7062

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Health Science and Medical Technology	Restraints: The Last Resort M4	1990	In the clinical setting, close up video techniques demonstrated proper application of the safety vest, cross over vest limb or wrist restraint, and pelvic support.	VHS	1	M108	HSM - 7063
Health Science and Medical Technology	Sensory System Genetic Engineering		Use at a later date.	DVD	1		HSM - 7064
Health Science and Medical Technology	Sink A Germ	1986	As part of its program for infection control in health care institutions, Brevis presents this video on the rationale and techniques for effective hand washing.	VHS	1	M6-4	HSM - 7065
Health Science and Medical Technology	Something the Lord Made	2004	An true story of two men who defied the rules of their time to launch a medical revolution. Working in the 1940's Baltimore on an unprecedented technique for performing heart surgery on "blue babies."	DVD	1	0-7831-2404-X	HSM - 7066
Health Science and Medical Technology	Super Size Me	2004	Filmmaker Morgan Spurlock unravels the American obesity epidemic by interviewing exports nationwide and by subjecting himself to a "McDonald's only" diet for thirty days.	DVD	1	29567-00242	HSM - 7067
Health Science and Medical Technology	The Architecture and Design of Man and Woman	2004	Using groundbreaking imaging techniques, this program reveals the architecture of the human body in an entirely new and fluid way.	DVD	1	34557-KS	HSM - 7068
Health Science and Medical Technology	The Forgetting A Portrait of Alzheimer's	2003	This video takes a dramatic, compassionate, all-encompassing look at this fearsome disease and aims to help all American better understand and cope with its impact.	DVD	1	41887-05059	HSM - 7069
Health Science and Medical Technology	The Immune System		Use at a later date.	DVD	1		HSM - 7070
Health Science and Medical Technology	The New Nursing Assistant: Bed making M9	2003	This program will teach skills and concepts necessary to provide quality care in bed making unoccupied or occupied beds.	VHS	1	CNA511-5	HSM - 7071
Health Science and Medical Technology	The New Nursing Assistant: Elimination, Specimen Collection, Urinary Care M9 (# 3)	2003	This program series is designed to teach elimination, specimen collection and urinary care. Skills on inserting a rectal suppository, administering the cleansing enema, collecting a routine urine specimen etc...	VHS	1	CNA507-5	HSM - 7072
Health Science and Medical Technology	The New Nursing Assistant: Feeding M10	2003	This program demonstrates skills on feeding serving a meal and dependent feeding clients.	VHS	1	CNA509-5	HSM - 7073
Health Science and	The New Nursing Assistant: Moving Turning	1997	This program will demonstrate and describe turning	VHS	1	CNA503	HSM - 7074
Health Science and Medical Technology	The New Nursing Assistant: Personal Care M8 (# 4)	1997	This program will help develop skills in personal care. Skills on proper cleaning and trimming nails, shaving the beard, assisting with hair and makeup, assisting with dressing, dressing when an IV catheter is in place.	VHS	1	CNA505R	HSM - 7075
Health Science and Medical Technology	The New Nursing Assistant: Positioning Techniques M5 (# 2)	1997	This program series will demonstrate basic steps, supine position, semi-supine position, prone position, and semi-prone positions.	VHS	1	CNA5135	HSM - 7076

Industry Sector	Video Name	Year	Description	Format	Copies Available	ISBN	VROP ID#
Health Science and Medical Technology	The New Nursing Assistant: Providing Oral Care M8 (# 2)	2000	This program will help develop skills for quality oral care. Techniques in assisted oral care, denture care, and oral care for the unconscious resident	VHS	1	CNA506	HSM - 7077
Health Science and Medical Technology	The New Nursing Assistant: Range of Motion Exercises M14	2003	This program demonstrates skills on range of motion exercises assisting with ambulation, assisting falling patient, range of motion exercises: head and neck, upper extremities, and lower extremities.	VHS	1	CNA510-5	HSM - 7078
Health Science and Medical Technology	The New Nursing Assistant: Recognizing Abnormal Signs and Symptoms	2004	This program demonstrates and describes recognizing abnormal signs and symptoms of common diseases and conditions.	VHS	1	CNA515	HSM - 7079
Health Science and Medical Technology	The New Nursing Assistant: Techniques in Toileting and Incontinent Care M8 (# 3)	2003	This program will help develop skills and techniques in toileting and incontinent care. Techniques that will provide instruction on assisting with using the toilet, offering the bedpan or urinal, changing briefs, and bowel and bladder training.	VHS	1	CNA508-5	HSM - 7080
Health Science and Medical Technology	The New Nursing Assistant: Transfer and Ambulation M5 (# 3)	1997	This program is to teach the skills and concepts of transfer and ambulation. Skills that show how to pivot transfer from bed to wheelchair, pivot transfer from wheelchair to toilet etc.	VHS	1	CNA504R	HSM - 7081
Health Science and	The Virtual Body: Homeostasis	2004	This program investigates how the body controls its	DVD	1	30530	HSM - 7082
Health Science and Medical Technology	The Virtual Body: Sensory System	2004	This program concentrates on the nervous and endocrine systems. A soccer match offers an opportunity to investigate how neurons work and how a simple reflex arc functions.	DVD	1	30531	HSM - 7083
Health Science and Medical Technology	The Virtual Body: Genetic Engineering	2004	This program offers an overview of genetics and cloning as they occur both in nature and in the laboratory while addressing the ethical and social implications of genetic engineering.	DVD	1	30532	HSM - 7084
Health Science and Medical Technology	The Virtual Body: The Immune system	2004	This program takes a look at the mechanics of the body's internal defense system. The protected environment of the womb is contrasted with the pathogen-laden environment of the post-birth world.	DVD	1	30529	HSM - 7085
Health Science and Medical Technology	The Virtual Body: Circulation, Respiration, and Breathing	2004	This program examines how oxygen and carbon dioxide are transported throughout the body, guided by the brain as it reacts to internal and external stimuli.	DVD	1	30528	HSM - 7086
Health Science and Medical Technology	What Is Your Drug I.Q.	2000	A password-access CD-ROM, bringing text, video, animated graphics, music and games together into one user-friendly package.	CD-ROM	2	1-56230-813-0	HSM - 7087
Health Science and Medical Technology	Your Immune System	2004	This program clearly and concisely maps out the complicated human immune system, explaining both how it keeps the body healthy and what happens to the body if it malfunctions.	DVD	1	29561-KS	HSM - 7088
Information Technology	The World According to Google	2004	This program seeks answers to those questions by going behind the scenes at the Google headquarters in Mountain View.	DVD	1	37134-KS	IT - 8001
